

OUR VALUES

WE CREATE FROM THE HEART SPACE

Dorothy
Dorothy

HEART

Every good idea starts with passion. It's the driving heartbeat of innovation and under the goosebumps we get talking about the future. We see culture as a tinderbox, set ablaze by contagious concepts. Content, interactive, live events, metaverse... whatever the medium, we begin by igniting the senses and inviting new inclusive creative alliances forged for good.

PASSION POWER

INCLUSIVE IMAGINATION

RADICAL EMPATHY
